Dear Henry:-

In reply to your favor of the 26th. instant replying to mine of the 23rd. I will state that this is the first time that such an unusual delay in selling my coins has occurred. My other coins have usually been sold within as many months as you have taken years. Such an unusual delay made me discouraged and I was getting disgusted. However, if you have really got my coins classified and catalogued and will hold the sale December 15th. 1927 as stated in your letter I will reconsider the demands made in mine of the 23rd. and authorize you to go ahead with the sale.

I know that you are a painstaking and reliable cataloguer and it is for these reasons that I entrusted said U. S. Cents with you to sell and I hope and trust that you will have a successful sale as this is the time of year when coins ought to sell at their best.

My Cents were attributed by Dr. French, Fred E. Merritt and Gottlieb Craft, respectively, from whom I bought nearly all of my collection of Cents.

I do not sail until January 24th. and will therefore be in the Country when the sale occurs. I am very glad to hear that you have classified them separately and I hope the sale will be mutually satisfactory.

Yours very truly,

GAG:ED

Dear Henry:-

Several times your catalogues have reached me after the sale due to the negligence of our local post office in delivering second class mail matter. No catalogue of your sale of December 15th. has reached me. I am very much interested and request that you send me a copy of the catalogue by first class ~~mail~~<sup>air</sup> so that it will surely reach me as soon as possible and before the sale. If Dr. French's and Fred King's are to be sold in the same sale, they will undoubtedly wish the same thing to be done to them.

Yours very truly,

GAG:ED
